Utilization and Updation of IT facility

- Yogeshwari Mahavidyalaya, Ambajogai (YMA) provides sophisticated IT-infrastructure which comprises of computing-equipment, cloud based software and internet facilities.
- The students are encouraged to use IT-infrastructure in the best possible way to enrich their learning.
- Encourage teachers to contextualize open educational resources available on the Internet for the students of Institute.
- Encourage teachers to develop digital learning resources of their own. Facilitate teachers to collaborate and undertake projects to develop high quality digital learning materials for the students.
- The digital resources may include documents, presentations, animations, audio recordings and video clips.
- Create appropriate online learning space through Learning Management System (LMS) to share the learning modules created by the teachers. Through LMS students have authorised access to relevant modules
- IT Policy exists to maintain, secure, and ensure the legal and appropriate use of information technology infrastructure established by the Institution on the campus.
- The Policy established strategies and responsibilities for protecting confidentiality, integrity, and availability of the information assets that are accessed, created, managed, and/or controlled by the college.
- For data protection cloud-based software is used in office administration and library.
- Examination system is online as per university guidelines.
