Maintenance of Physical Infrastructure Policy

- Prepare the routine and preventive maintenance schedule.
- Execute the maintenance schedule with the support of external agencies.
- Emergency maintenance shall be completed on priority basis.
- The consolidated report of the yearly maintenance shall be prepared and submitted to authorities.
- The college keeps the infrastructure in optimum working condition.
- Many preventive maintenance policies are functional to prevent breakdown of facilities such as, proper uses and maintenance of the equipment, generators, internet and Wi-Fi, gardening, housekeeping.
- If there is anything which needs to be repaired or mended it is reported to the concerned Head of the department. Then HOD reports it to the Principal. The Principal puts all these requirements/demands for discussion in the meeting of CDC. If there is provision of money to be made then that thing is forwarded to the Governing Council.
- Maintenance of infrastructure of existing building: If there is anything to be repaired or newly constructed, that thing is also taken in the College Development Committee (CDC) and CDC forwards it to the GC. After thorough discussion in the meeting, Governing Council takes the decision.
- All infrastructure related things; like new construction, or extension of existing construction or repair and maintenance of existing infrastructure, is looked after by the Governing Council of the institution.
- An Annual Maintenance Contract (AMC) is signed with the local firm regarding maintenance of IT infrastructure. The contract states that the IT infrastructure shall be maintained as and when required and as per the call.
- AMC is done for housekeeping, especially for the cleaning of lavatories and toilets. The terms mentions the periodicity for the cleanliness.
- All AMCs are renewed every year.
- Garden Maintenance is done by the non-teaching staff from under the supervision of Head, Department of Botany.
- Generator maintenance is done by the non-teaching staff who is an expertise in electrical work under the supervisor of Head, Dept. of Physics.
